2. Target Market

The information below summarises the overall class of consumers that fall within the target market for the Prepaid Card, based on the product key attributes and the objectives, financial situation and needs that it has been designed to meet.

(a) Class of consumers that fall within the target market

The Prepaid Card is for members of the Venue wishing to convert in-venue loyalty rewards points into Australian dollars loaded onto a reloadable prepaid card.

(b) Description of the Prepaid Card and its key attributes

The Prepaid Card is a reloadable eftpos card.

The key attributes of the Prepaid Card are that:

- It is Reloadable which means a member can add extra funds to it, until the expiry of the Prepaid Card, by either Direct Credit or by the conversion of any reward points that a member has earned with the Venue in accordance with the Loyalty Scheme into a dollar value
- It can be used to buy goods and services from merchants in Australia who accept eftpos cards, there is no daily or other periodic limit to the number of times a member may use the Prepaid Card if they have sufficient Value available to cover their purchases and the associated fees associated with using the Prepaid Card.

(c) Consistency between target market and Likely objectives, financial situation and needs

The Prepaid Card is likely to be consistent with the likely objectives, financial situation and needs of consumers in the target market as:

- The Prepaid Card is integral to the Cardholder being able to fully utilise the Venue's loyalty program that has been designed to reward its members.
- The Prepaid Card allows the Cardholder (as a member of the Venue) to store their converted Reward and promotional wins earned at the Venue, as well as their own funds all in one convenient place to spend anywhere in Australia that accepts eftpos.
